It is important to understand that safeguarding should not be viewed as a stand-alone process, which sits in isolation from other activities within cricket. Safeguarding is about creating a culture, which is fully integrated and helps direct the game and the provision of services that are offered to participants. Safeguarding in cricket is based upon the concept of providing an enjoyable environment tailored to the needs and requirements of children.

From a legislative perspective, there is clear statutory guidance about the arrangements which must be in place in any organisation that provides services for, or works with, children. A policy decision has been taken by Cricket Ireland to work to the highest standard of guidance in all locations throughout the Northern Ireland and the Republic of Ireland where Cricket Ireland is the Governing Body.

Child safeguarding responsibilities at club level

Cricket Ireland, as cricket's Governing Body in Ireland has produced this guide to provide information and steps to be taken to safeguard and protect children involved in cricket. However, it is vital that responsibility and ownership for child safeguarding is shared and that not only the governing body, but each individual Provincial Union, club staff and volunteers implement Cricket Ireland's approach and procedures for child safeguarding. It is vital that all personnel in a position of responsibility such as coaches, recruiters and managers take ownership for ensuring that the child safeguarding measures described in this manual are implemented consistently at a club level.

This guide details Child Safeguarding areas under which Cricket Ireland requires specific actions and responsibilities of each of its clubs. This guide takes into account relevant legislation and statutory guidance at the time of publication. It does not intend to make the reader an expert on the legal framework, or the subject of safeguarding, but instead it offers practical guidance for those involved in providing cricket activities for children, aiming to increase general awareness of both mandatory requirements and good practice.

It is a mandatory requirement for every club affiliated to Cricket Ireland to adopt the manual and its policies and develop their own Safeguarding Policy Statement. The guide is based on the guidelines and legislation outlined in the following documents: The Code of Ethics and Good practice for Children's Sport, Irish Sports Council and Sport NI, 2019 (COE reviewed in 2019) For Republic of Ireland Clubs should reference; Children First Act. 2017 Our Duty to Care, Dept. of Health & Children 2002 Criminal Law (sexual offences) Act 2006 The Protection for Persons Reporting Child Abuse Act 1998 The National Vetting Bureau Act 2012 Children First Act 2015 For Northern Ireland Clubs should reference; Children (NI) Order, 1995 Co-operating to Safeguard Children and Young People, 2016 Area Child Protection Committee Regional Policy and Procedures, 2005 Keeping Children Safe - Our Duty of Care, 2017 Safeguarding Vulnerable Groups
