

## **Clontarf Cricket Club Changing Room Policy for Children**

**These guidelines apply to adults and children sharing changing facilities.**

- Mobile phones must not be used in changing rooms at any time
- In so far as is possible, children should arrive to all their matches changed into their appropriate clothing
- If adults and children need to share a changing facility, the club must have consent from parents that their child(ren) can share a changing room with adults in the club
- Adults should allow children to use the changing room to get changed first. When they are finished the adults can then use it
- Adults must not change, or shower, at the same time as children when using the same facility as children
- Adults should try to change at separate times to children during matches, for example, when children are padding up
- Where children play for open-age teams, they and their parents need to be made aware of the changing room policy of the club
- Mixed gender teams must have access to separate male and female changing rooms or create a policy on changing at different times
- If children are uncomfortable changing or showering at the club, no pressure should be placed on them to do so. Suggest, instead, that they may change and shower at home
