

Clontarf Youth Cricket Club

Code of Conduct: Volunteer

The Clontarf Cricket Club thrives because of the unwavering dedication of our volunteers. To maintain the highest standards and ensure a positive environment, we have established this Volunteer Code of Conduct. By adhering to these principles, our volunteers not only enhance the club's operations but also uphold the spirit of cricket.

1. **Uphold the Spirit of Cricket:** Promote and embody the 'Spirit of Cricket' at all times. Encourage respect for teammates, opponents, and the traditions of cricket.
2. **Support Coaches:** Assist coaches in our mission to develop Clontarf's young players' cricket skills, understanding of the game, and love for the sport.
3. **Respect Team Selection Policies:** Adhere to the club's policy on balanced team selection and rotation. Support coaches' decisions regarding team selection.
4. **Prioritise Player Well-being:** Always prioritise the well-being, development, and safety of players. Their growth as cricketers and individuals is our ultimate goal.
5. **Embrace Diversity and Inclusivity:** Ensure all children, regardless of skill level or ability, feel valued and have equal opportunities to participate.
6. **Support Skill Development:** Aid coaches in developing a comprehensive set of skills in players, including batting, bowling, fielding, and tactics.
7. **Ensure Player Safety:** Support the implementation of best practices for warm-ups, equipment use, and injury prevention.
8. **Instil Core Values:** Beyond the cricket field, help instil important values such as teamwork, respect, and discipline. Our goal is to contribute to the holistic development of our young players, preparing them not just for cricket, but for life.
9. **Maintain Professional Conduct:** Uphold a high standard of professional conduct. Avoid any behaviour that could bring the club into disrepute.
10. **Adhere to Club Policies:** Follow all club policies, including Garda vetting and Child Safeguarding training.

Remember, as a volunteer, your actions and behaviour significantly influence our young cricketers.

Thank you for your dedication and cooperation.

Conor Murphy

Chair of Youth Cricket
