

Clontarf Cricket Club: Emergency Procedure for Injuries

Stay Calm and Assess the Situation

- Make sure the area is safe for both the injured child and others.
- Quickly determine the severity of the injury (e.g., minor cut, sprain, fracture).

Minor Injuries:

- Clean the wound with water and apply a bandage.
- Use ice packs for bruises or sprains.

Serious Injuries:

- Do not move the child if there is a risk of further injury.
- Keep the child still and comfortable.
- Call for Help
- Dial 112 or 999 for an ambulance if the injury is serious.
- First Aid: If trained, administer first aid while waiting for professional help.

Notify Parents/Guardians

- Contact the child's parents or guardians immediately to inform them of the situation.
- If you don't have the parents number click on their name in Clubforce and you can call them that way.

Inform Club Committee and Child Safeguarding Officer

- Ensure the club committee and the child safeguarding officer are informed about the incident as soon as possible.

Supervise Other Children

- Ensure other children are supervised and kept away from the injured child to prevent further accidents.

Document the Incident

- Incident Report: Fill out an incident report detailing the injury, actions taken, and any witnesses.
- Witness Statements: Collect statements from any witnesses if necessary.

Follow-Up

- Follow up with parents after the incident to check how the kid is.

Underage Coaches

- If you are under 18 seek assistance from an adult and add as a witness.
