

We hosted Ireland, Pakistan & The West Indies Women's teams at Castle Avenue ahead of their T20i World Cup, and it's since been non-stop action at The Bull Ring as our Senior and Youth teams progress through their League and Cup schedules.

Last month's action

June was a busy month for our Senior teams, with player debuts, last over wins (and losses) hundreds, five-fers and everything else in between.

Meet the: Overseas Pros

In the latest from our series 'Meet the:' that talks to the people involved at the club - the people that go far & beyond both on the pitch & behind the scenes - we caught up with our two overseas pros Robyn Searle & Sam Morgan to find out how they're finding Dublin, what brought them here & what they enjoy most about coaching and playing at CCC.

"Here's to 150 more"

Two hours before our Gala Ball to celebrate the 150th Anniversary, we launched our commemorative video to showcase the club's history, it's people, & the legacy that has been created in its first 150 years. Our partner, **Banjoman**, took great pride in representing the club with a look back over the years & the final cut is, we're sure you'll agree, a fantastic memory to save.

Youth Cricket Update

Youth cricket is in full swing; with U9s blitzes, our U11/13/15 & 17s Girls & Boys teams clocking up the miles with league and cup matches, and we're proud that a number of players are representing Dublin & Leinster in various competitions, from Interpros to the Women's Future Series 🏏. Our Pathway program is underway, with players benefitting from small group session with our wonderful team of coaches.

#CCC150 Update

There's no doubt that the 150th Anniversary Gala Ball was the headline event in June when it comes to #CCC150, but there was plenty more going on at the club to continue our celebrations, including the presentation of Men's First XI Caps, the delivery of our Commemorative Bundles (suits you), and a Youth disco which, according to sources, was noisier than the Adults Ball 🎉

Clubhouse Upgrade

Big plans are ahead! The Executive Committee has spent the last year working on a major clubhouse upgrade. The proposed layout introduces stylish elevation changes, internal revamps, and a brilliant flat-roof viewing terrace perfect for match days. This project is contingent on securing Sports Capital funding, but we're incredibly excited to share this vision as we look to elevate the experience for all members!

Upcoming Matches at Castle Avenue

- 11th July | M4 vs. North County
- 12th July | M2 vs. The Hills
- 13th July | W2 vs. Merrion
